

Social Media for Social Good in Nashville

Join Social Media Club Nashville and panelist from several local community and non-profit organizations to explore their use of social media and its impact in promoting community services, recruiting volunteers, and reaching fundraising goals.

**Wednesday July 15th from 6pm to 8pm at Center for Nonprofit Management in Metro Center
(44 Vantage Way, Suite 230 Nashville, TN 37228)**

This event is FREE to attend; however, space is limited to the first seventy reservations. **Please RSVP to socialmedioclubnashville@gmail.com**

About Social Media Club Nashville:

Social Media Club Nashville is part of an international network of community groups that host conversations that explore key issues facing our society as technologies transform the way we connect, communicate, collaborate and relate to each other. The Club's primary mission is to promote media literacy, promote standard technologies, encourage ethical behavior and share best practices.
